

PLINK PRIVACY POLICY

Introduction

This Privacy Policy governs the collection, storage and use of personal information collected by us, IT HI-TECH LLC (“we”, “us”, “our” or “PLINK”), via our application (the “**Plink App**”, “**Application**”). It provides you (the “**User**”) with details about the personal information we collect from you, how we use your personal information and your rights to control the personal information we hold about you.

Please read this privacy policy carefully. By accessing or installing the "**PLINK App**", you confirm that you have read, understood and agree to this privacy policy in its entirety. You agree that you provide all your information on your own risk. If you do not agree to this privacy policy in its entirety, you must not use this Application.

We may change this Privacy Policy from time to time and you agree that by accessing or using the Application at any time after a change, you will be confirming your acceptance of the new version of the Privacy Policy.

About us

IT HI-TECH LLC is the company that owns all intellectual property rights without limitation in PLINK App and is a data controller.

We respect your right to privacy and will only process personal information you provide to us in accordance with this privacy policy and applicable privacy laws.

What Is Personal Information?

As used in this privacy policy, the term "personal information" means information that specifically identifies an individual or information about an individual that is directly linked to personally identifiable information. Personal information does not include "aggregate" information, which is data we collect about the use of this Application or about a group or category of users, from which individual identities or other personal information has been removed. Personal information does not include information, that is collected by PLINK for the correct operating and functioning of the PLINK app, but which cannot be used to distinguish or trace the user’s identity, e.g. time spent playing the game, level of the gamer, number of games, number of games played, rating, percentage of wins and defeats, achievements in the game etc.

This privacy policy in no way restricts or limits our collection and use of aggregate information.

Types of Data Collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: mail, first name (if it is equal to the nickname or account name), last name (if it is equal to the nickname or account name), avatar (if the User uses his personal photo as an avatar), user comments (if they contain any personal information).

Additionally, the Application collects some data automatically, namely information about devices (including mobile devices), which you may use to access the Website, IP-address of your devices, used browser and operating system, date and time of your access to the Application. This facilitates the work and the use of the Application.

As according to clause 2.1. of the Terms of Use, the User must be at least 13 years of age or older in order to use our Services, we do not collect any personal information from the persons below 13 years old.

Your Personal Information may be stored and processed in any country where we have facilities or service providers, and by using our Sites you consent to the transfer of information to countries outside of your country of residence, including the United States, which may provide for different data protection rules than in your country.

Complete details on each type of Personal Data collected may be provided by specific explanation texts displayed prior to the Data collection.

The Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application, including, from the third parties.

All Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without any consequences on the availability or the functioning of the service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact PLINK.

Any use of Cookies – or of other tracking tools – by this Application or by the owners of third party services used by this Application serves the purpose of providing the service required by the User.

Users are responsible for any third party Personal Data obtained, published or shared through this Application and confirm that they have the third party's consent to provide the Data to PLINK.

Cookies Policy

In order to provide you with a personalized experience and improve the functionality and efficiency of our Application, we may use cookies (and other similar tools, including clear gifs, log files, flash cookies) to collect, store and use information about your visits to the Application.

Use of Personal Information

The Company may use your Personal Information for the purposes of:

provision of services in accordance with the Website Terms of Use, ensuring high quality services to you;

- the analysis of your gaming behavior, assessment of your gaming interest and skills;
- informing on services, news and promotional offers by email;
- to send administrative information to you, for example, information regarding the Application and changes to our terms, conditions, and policies;

- as we believe to be necessary or appropriate:
 - (a) to comply with applicable law;
 - (b) to respond to requests from public and government authorities;
 - (c) to protect our rights and interests, and/or that of our affiliates, you or others; and
 - (d) to allow us to pursue available remedies or limit the damages that we may sustain.

We may use third-party advertising companies to target advertisements to you on our Application, based on the Personal Information we have collected from and about you, as well as information relating to your and other users' visits to the Application.

Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as data processors by PLINK. The updated list of these parties may be requested from the PLINK at any time.

Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

Retention Time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data.

Legal

We will not disclose, sell or rent your personal information to any third party unless you have consented to this or we are required to do so for legal or regulatory purposes. If you do consent but later change your mind, you may contact us support@plink.tech and we will cease any such activity.

However, if a third party acquires all (or substantially all) of our business and/or assets, we may disclose your personal information to that third party in connection with the acquisition. We may also disclose your personal information where we are required to do so by applicable law, by a governmental body or by a law enforcement agency.

The User declares to be aware that the Data Controller may be required to reveal personal data upon request of public authorities.

Communicating with other users in the Application

By using this Application and sending messages to specific users, you agree and accept that any personal information shared may:

- be read, collected and used by other such Users, who may misuse or disclose your personal information, including but not limited to sending unsolicited messages; and
- remain available to other users or the public, including after the deletion of your account.

You are responsible for any personal information that you disclose through sending messages and agree that PLINK App is not responsible or liable in the event that your personal information is misused or disclosed by a third party or a such User of this Application. If you believe that your personal information is being misused, please contact us immediately at support@plink.tech.

Security

PLINK App takes appropriate physical, technical and administrative measures to safeguard the personal information that you provide to us. However, no transmission over the internet can ever be guaranteed secure. Consequently, please note that we cannot guarantee the security of any personal information that you transfer over the Internet to us.

PLINK reminds you that no existing data transmission methods can be guaranteed to be 100% secure. Therefore, despite all safety measures implemented, PLINK cannot fully guarantee integrity and safety of the information and data.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

“Do Not Track Requests”

This Application does not honor “Do Not Track” requests.

To determine whether any of the third party services uses the “Do Not Track” requests, please read their privacy policies.

Additional Information about User’s Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular services or the collection and processing of Personal Data upon request.

System Logs and Maintenance

For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System logs) or use for this purpose other Personal Data (such as IP Address).

Changes to this Privacy Policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the Data Controller remove the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.

Questions

If you have any questions about how we collect, store and use personal information, or if you have any other privacy-related questions, please contact us by e-mail support@plink.tech. We will answer your query within 30 calendar days upon receipt of your query.
